

Circles of Support works with families in the greatest need to identify a way forward. It enables them to make their own decisions and move forward with challenges they are struggling to come to terms with.

This programme is running October 2020 to March 2021. Support places are limited so will be offered on a first come first served basis. There are other programmes of work we are funded for so please see our website for more details.

See our website for up to date details of who we are funded to support and our Terms & Conditions.

Do you support people struggling with the impacts of **COVID-19** who cannot find a way out of their situation?

Eligibility...

Anyone directly or indirectly impacted by **COVID-19** and who are struggling to work out their way forward. This includes people with disabilities and / or health conditions. People must be resident in Lincolnshire.

Making a referral...

You can refer individuals and families directly (with consent to share their details) or ask them to contact us directly.

We also have a referral portal, please email us for the link.
