

Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

Section 1: Definition of a complaint

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
1.2	A complaint must be defined as: <i>‘an expression of dissatisfaction, however made, about the standard of service, actions or lack of action by the landlord, its own staff, or those acting on its behalf, affecting a resident or group of residents.’</i>	Yes	Complaints Policy	It is covered in the Complaints Policy; we also undertake training annually with all staff that manage complaints and those who answer any calls from residents.
1.3	A resident does not have to use the word ‘complaint’ for it to be treated as such. Whenever a resident expresses dissatisfaction landlords must give them the choice to make complaint. A complaint that is submitted via a third party or representative must be handled in line with the landlord’s complaints policy.	Yes	Complaints Policy	All staff receive ongoing training on complaints and their management including feedback on what complaints have been received, the outcome and changes to policies and procedures as a result.
1.4	Landlords must recognise the difference between a service request and a complaint. This must be set out in their complaints policy. A service request is a request from a resident to the landlord requiring action to be taken to put something right. Service requests are not complaints, but must be	Yes	There is a service recovery process in place.	All staff are trained on the complaints and service recovery processes. These processes are shared with residents of LRHA. This information is available to residents on the website.

	recorded, monitored and reviewed regularly.			
1.5	A complaint must be raised when the resident expresses dissatisfaction with the response to their service request, even if the handling of the service request remains ongoing. Landlords must not stop their efforts to address the service request if the resident complains.	Yes	Complaints Policy Complaints Flow Chart	The flow chart illustrates the process. The service recovery is a separate action to try to be able to find a speedy resolution to the issue with the services provided that caused the resident dissatisfaction.
1.6	An expression of dissatisfaction with services made through a survey is not defined as a complaint, though wherever possible, the person completing the survey should be made aware of how they can pursue a complaint if they wish to. Where landlords ask for wider feedback about their services, they also must provide details of how residents can complain.	Yes	Complaints Policy	There is standard wording on all surveys issued that advises residents of the complaints process.

Section 2: Exclusions

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
2.1	Landlords must accept a complaint unless there is a valid reason not to do so. If landlords decide not to accept a complaint they must be able to evidence their reasoning. Each complaint must be considered on its own merits	Yes	Complaints Policy	
2.2	A complaints policy must set out the circumstances in which a matter will not be considered as a complaint or escalated, and these circumstances must be fair and reasonable to residents. Acceptable exclusions include: • The issue giving rise to the complaint occurred over twelve months ago. • Legal proceedings have started. This is defined as details of the claim, such as the Claim Form and Particulars of Claim, having been filed at court.	Yes	Complaints Policy	

	• Matters that have previously been considered under the complaints policy.			
2.3	Landlords must accept complaints referred to them within 12 months of the issue occurring or the resident becoming aware of the issue, unless they are excluded on other grounds. Landlords must consider whether to apply discretion to accept complaints made outside this time limit where there are good reasons to do so.	Yes	Complaints Policy	
2.4	If a landlord decides not to accept a complaint, an explanation must be provided to the resident setting out the reasons why the matter is not suitable for the complaints process and the right to take that decision to the Ombudsman. If the Ombudsman does not agree that the exclusion has been fairly applied, the Ombudsman may tell the landlord to take on the complaint.	Yes	Complaints Policy	This scenario has not happened, but LRHA would abide by the Ombudsman Service decision and instruction.
2.5	Landlords must not take a blanket approach to excluding complaints; they must consider the individual circumstances of each complaint.	Yes	Complaints Policy	

Section 3: Accessibility and Awareness

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
3.1	Landlords must make it easy for residents to complain by providing different channels through which they can make a complaint. Landlords must consider their duties under the Equality Act 2010 and anticipate the needs and reasonable adjustments of residents who may need to access the complaints process.	Yes	Complaints Policy	
3.2	Residents must be able to raise their complaints in any way and with any member of staff. All staff must be aware of the complaints process and be able to pass details of the complaint to the appropriate person within the landlord.	Yes	Complaints Policy Staff Training	All staff dealing with resident contacts receive initial and ongoing mandatory training to ensure consistent service is given in compliance with the Complaints Policy and Flowchart.
3.3	High volumes of complaints must not be seen as a negative, as they can be indicative of a well-publicised and accessible complaints process. Low complaint volumes are potentially a sign that residents are unable to complain.	Yes		This view is accepted by LRHA.

3.4	Landlords must make their complaint policy available in a clear and accessible format for all residents. This will detail the two stage process, what will happen at each stage, and the timeframes for responding. The policy must also be published on the landlord's website.	Yes	The Complaints Policy is available on the website and in alternative formats.	The Complaints Flowchart
3.5	The policy must explain how the landlord will publicise details of the complaints policy, including information about the Ombudsman and this Code.	Yes	Complaints Policy	
3.6	Landlords must give residents the opportunity to have a representative deal with their complaint on their behalf, and to be represented or accompanied at any meeting with the landlord.	Yes	Complaints Policy	
3.7	Landlords must provide residents with information on their right to access the Ombudsman service and how the individual can engage with the Ombudsman about their complaint.	Yes	Complaints Policy Website Page Satisfaction Surveys	

Section 4: Complaint Handling Staff

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
4.1	Landlords must have a person or team assigned to take responsibility for complaint handling, including liaison with the Ombudsman and ensuring complaints are reported to the governing body (or equivalent). This Code will refer to that person or team as the 'complaints officer'. This role may be in addition to other duties.	Yes		Resident Engagement Manager is responsible for the Complaints process. Supported by Head of Operations.
4.2	The complaints officer must have access to staff at all levels to facilitate the prompt resolution of complaints. They must also have the authority and autonomy to act to resolve disputes promptly and fairly.	Yes		All complaints are reviewed at the monthly management Team meeting.
4.3	Landlords are expected to prioritise complaint handling and a culture of learning from complaints. All relevant staff must be suitably trained in the importance of complaint handling. It is important that complaints are seen as a core service and must be resourced to handle complaints effectively	Yes		A review of complaints that have completed the process is undertaken by the Resident Engagement Manager and Head of Operations to identify training and policy,

				procedure changes that could improve the service.

Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Yes	Complaints Policy	LRHA agree with this approach.
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	Yes		LRHA agree with this approach. A service request recovery process is in place but is not a stage of the complaints process or prevents a complaint being registered.
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	Yes	Complaints Policy	A two stage process is in place.
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. Residents must not be	Yes		LRHA agree with this approach.

	expected to go through two complaints processes.			
5.5	Landlords are responsible for ensuring that any third parties handle complaints in line with the Code.	Yes		LRHA agree with this approach.
5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition”. If any aspect of the complaint is unclear, the resident must be asked for clarification.	Yes		Standard template is in use and amended for each complaint received.
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	Yes		LRHA agree with this approach.
5.8	At each stage of the complaints process, complaint handlers must: a. deal with complaints on their merits, act independently, and have an open mind; b. give the resident a fair chance to set out their position;	Yes	Complaints Policy Complaints Flowchart	The staff managing complaints – Resident Engagement Manager, Head of Operations, Chief Executive, Deputy Chief Executive – receive training and keep up to date with Housing Ombudsman Service guidance.

	c. take measures to address any actual or perceived conflict of interest; and d. consider all relevant information and evidence carefully.			
5.9	Where a response to a complaint will fall outside the timescales set out in this Code, the landlord must agree with the resident suitable intervals for keeping them informed about their complaint.	Yes		LRHA undertake this action.
5.10	Landlords must make reasonable adjustments for residents where appropriate under the Equality Act 2010. Landlords must keep a record of any reasonable adjustments agreed, as well as a record of any disabilities a resident has disclosed. Any agreed reasonable adjustments must be kept under active review.	Yes	Complaints Policy Equality Diversity Inclusion Strategy	This area of the process is tracked and managed by the Head of Operations.
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the provisions set out in section 2 of this Code.	Yes	Complaints Policy	LRHA agree with this approach.
5.12	A full record must be kept of the complaint, and the outcomes at each stage. This must include the original	Yes		Each complaint has designated folder and document organisation to

	complaint and the date received, all correspondence with the resident, correspondence with other parties, and any relevant supporting documentation such as reports or surveys.			ensure that all officers retain the information in a uniform, consistent manner.
5.13	Landlords must have processes in place to ensure a complaint can be remedied at any stage of its complaints process. Landlords must ensure appropriate remedies can be provided at any stage of the complaints process without the need for escalation.	Yes	Remedy and Compensation Policy	A remedy or compensation resulting from a complaint investigation is proposed by the Head of Operations and / or Resident Engagement Manager for approval by the Chief Executive.
5.14	Landlords must have policies and procedures in place for managing unacceptable behaviour from residents and/or their representatives. Landlords must be able to evidence reasons for putting any restrictions in place and must keep restrictions under regular review.	Yes	Unacceptable Behaviour Policy	Any decision to put a restriction in place is proposed by the Head of Operations and Resident Engagement Manager then reviewed and approved by the Chief Executive.
5.15	Any restrictions placed on contact due to unacceptable behaviour must be proportionate and demonstrate regard for the provisions of the Equality Act 2010.	Yes	Unacceptable Behaviour Policy	Any decision to put a restriction in place is proposed by the Head of Operations and Resident Engagement Manager then reviewed and approved by the Chief Executive.

				The restriction would be tracked and managed by the Head of Operations.

	within five working days of the escalation request being received.			
6.12	Residents must not be required to explain their reasons for requesting a stage 2 consideration. Landlords are expected to make reasonable efforts to understand why a resident remains unhappy as part of its stage 2 response.	Yes	Complaints Policy Complaints Flowchart	All stage 2 complaints are managed by the Chief Executive.
6.13	The person considering the complaint at stage 2 must not be the same person that considered the complaint at stage 1.	Yes	Complaints Policy Complaints Flowchart	All stage 2 complaints are managed by the Chief Executive.
